(1). In G.O.No.1-W dated 3rd January 1912 a special rate of rent of Rs.4/- per mensem fixed.

(2). The estimated allowance of 2 % for Ordinary Repairs and 1½ % for "Special Repairs", may stand for reasons explained in this office letter No.1088-S.E. dated 1-11-1911 printed in G.O.No.1-W, dated 3-1-1912.

Note 3rd of G.O.

No separate estimates, for Repairs to this building -- were prepared and sanctioned during the years from 1912-1913 to 1915-16. The required repairs during these -- years, were included in a consolidated estimate, viz, "Repairs to out houses at Periyar." As the outlay on these annual estimates was not accounted for in the Registers of works separately, it is difficult to find out now the actual cost of the Repairs on the quarters in - question during these years. During the years 1911-12 and 1916-17, separate estimates for repairs to these -- quarters were sanctioned and the outlay on them, was Rs.? and Rs.Nil respectively.
